BEDROOM DETOX FORCE

Does this sound familiar? Bedrooms full of dirty laundry, empty pizza boxes and discarded drinks containers. Once neat and tidy rooms now left looking like the scene of a Zombie Apocalypse? If the answer is yes then you need the **Bedroom Detox Force**.

Our team has seen it all and cleaned it all. They can deal with the worst that your "little darlings" have left behind. Discretely and efficiently clearing away the hazardous filth and sticky residues that today's modern teenager unthinkingly deposits in their wake.

Parents, don't risk your health and sanity by entering the stench ridden pits that are your children's bedrooms. Let us take the risks and clean them for you. Call us in and you'll soon have a tidy, clean and sweet smelling home once more.
